OUR RALEIGH NEWS BUDGET

State Bonds for the Purchase of the Caladonia Farms.

SOLD AT A PREMIUM

Secured by the Wachovia Loan and Trust Company of Winston-Salem—All of the States Swamp Lands—Optioned to a Speculator—The Biggest Man America Has Produced Was a Tar Heel.

Raleigh, N. C., Aug. 17.—That North Carolina's credit is still good, and that nobody has greater faith in her than those who know her best was again evidenced yesterday.

The occasion was another sale of State bonds. These bonds are for the purchase of the Caladonia farm, in round numbers, \$51,000, and to raise this amount the State Treasurer was ordered to sell \$50,000 of bonds.

They were duly advertised, and yesterday at noon the bids were opened in the State Treasurer's office. There were ten bids—four in the State and six from outsiders. All but three of the bids were for the whole issue. The bids ranged from 104.50 to 105.75.

The successful bidder was the Wachovia Loan and Trust Company, of Winston. To this company also was awarded the \$10,000 of bonds sold on May 22d for payment of the pensioners' debt. For that issue 109,275 was paid. Both issues are for ten years at 4 per cent.

STATE SWAMP LANDS.

The State Board of Education met yesterday at noon in the Governor's office and a contract was entered into with K. S. Finch, of Charlotte, whereby he was given an option on all the State swamp lands, at 50 cents an acre. This contract begins February 11th, 1900, and extends for one year. Finch & Failing, of Charlotte, hold options on these lands up to February 11, 1900, and the option given to Mr. Finch yesterday is simply a renewal of these contracts.

The lands contained in the option made yesterday are as follows: Angola Bay, Pender and Duplin counties, 49,150 acres.

Dove, Poinsett, Jones and Craven counties, 41,277 acres.

Joseph Collins Grant, Tyrrell county, 26,273 acres.

Newport Pocosin, Carteret county, 8,524 acres.

John Gray Blount Grant, Tyrrell county, 12,500 acres.

Ed Smallwood's lands, Hyde county, 22,985 acres.

Open lands, Carteret county, 106,757 acres.

Vacant lands, Hyde county, 13,656 acres.

Craven County Lakes, Craven county, 6,845 acres.

Pocosin or Lake lands, in Carteret, Jones and Craven counties, 44,500 acres.

David Allison lands, in Beaufort, Craven and Pamlico counties, 15,501.

All of which lands have been surveyed and aggregated 369,389½ acres.

Also all the unsurveyed lands belonging to the State, amounting to about 183,297 acres.

Also all the other lands which the State may own in the counties of Camden, Currituck, Pasquotank, Perquimans, Chowan, Gates, Hertford, Bertie, Washington, Dare, Onslow, New Hanover, Columbus, Brunswick, Bladen, Robeson and Richmond or any other county in the State of North Carolina.

The State obligates to sell to Mr. Finch any part of these lands—not less than 1,000 acres—upon the payment of 60 cents an acre, at any time within one year from February 11, 1900.

HERTFORD.

(Special to Virginian-Pilot.)

Hertford, N. C., Aug. 17.—A heavy storm has been with us since Tuesday morning. Pierce northeast winds have lowered the thermometer several degrees.

The streets are littered with boughs, twigs and leaves stripped from the trees. Posters and all manner of advertising matter are playing tag before the wind. A great deal of uneasiness is felt for the coming party now at Nag's Head. The crops will suffer largely from the effects of the heavy winds and rain that prevail.

The item in yesterday's issue mentioned Prof. S. T. Liles as future principal of the Perquimans Academy. It should have been Prof. S. T. Liles.

Mr. Herman Hughes, of Norfolk, is visiting in town.

Mr. Guy Newby returned from Nag's Head to-day. He reports bad weather.

A SATISFACTORY SENTENCE.

"Your worship," said the wily solicitor, who was attending the stalwart prisoner in the dock "You cannot possibly convict my client of house-breaking, I submit, sir, with all deference, that neither morally nor legally can you convict him. I will tell you why."

"Mr. Sikes, here, as the evidence clearly proves, did not break into any house at all. He found the parlor window open, as the witness admit, and all he did was to put in his right arm and remove some unimportant articles."

"Now, sir, Mr. Sikes' arm is not his himself, and I fail to see how you can punish the whole individual for an offense committed by only one of his limbs."

"Very well, sir," said the cautious Solomon of the bench, "I have heard of a similar defense before to-day, so I find the prisoner's arm guilty, and sentence it to six months' imprisonment. The gentleman himself can accompany it or not, as he chooses. Mr. Clerk, read the sentence."

Then Mr. Sikes smiled a fourteen-inch smile, and the plan of the defense

The Misses Bell

Complexion and Hair Specialists.

The brilliant complexions of women in the more exclusive circles of New York society are not explained by the theory that associates beauty and idleness. In fact, many ladies of the world of fashion are hard workers. Yet they keep their good looks even when they are old. How do they manage it? THE MISSES BELL, of 78 Fifth Avenue, New York, themselves connected with some of the most noted and honored families in the metropolis, have answered the question. They have prepared for the use of women in general, five preparations for improving the complexion and the hair.

Five Toilet Treasures.

The Misses BELL'S COMPLEXION TONIC

Is an external application, the presence of which on the face cannot be detected. It is perfectly harmless even to the most delicate skin. It is a sure and quick cure for all roughness and eruptions. It acts on the skin as a tonic, producing a naturally pure complexion. It is a most welcome aid to the toilet of fastidious women. The tonic cures pimples, freckles, blackheads, moth patches, dandruff, eczema, redness, oiliness and all discolorations and imperfections of the skin. Price, \$1 a bottle.

The Misses BELL'S HAIR TONIC

cures dandruff and prevents any return of it; stops that matting of the hair which makes the hair strong, soft and lustrous. It is especially helpful to persons whose hair is thin, dry and liable to fall out. The tonic cures the skin about the roots of the hair; will soon cover bald spots with a handsome growth. Price, \$1 a bottle.

The Misses BELL'S COMPLEXION SOAP

Is made from the pure oil of lamb's wool. It is the best soap for the skin, keeping it at all times in a clean and healthy state. This soap is dandruff and scalp cures. It is a most welcome aid to the toilet of fastidious women. The tonic cures pimples, freckles, blackheads, moth patches, dandruff, eczema, redness, oiliness and all discolorations and imperfections of the skin. Price, \$1 a bottle.

The Misses BELL'S CAPILLA-RENOVA

For restoring prematurely gray locks to their original color. It is not a dye nor a stain. It is a colorless liquid that is applied to the roots of the hair and leaves no telltale sign on the scalp or forehead.

The Misses BELL'S SKIN FOOD

Is a soft, creamy, exquisitely perfumed ointment, which helps the action of the Tonic, and, in mild cases of roughness, redness, pimples, etc., is a cure in itself. It clears the pores of the skin of all impurities and feeds it by building up the texture and making the skin healthy and smooth. Price, 75 cents per jar.
